Lorraine Jenkins

# Background

Kildare Youth Services is an organisation made up of Youth Projects, Garda Youth Diversion Project's, Youth Counselling, HALO Drug and Alcohol Treatment Service (u18), NCFP (Naas Child and Family Project) and FAIM (Family Assessment Intervention Model).

- Number of KYS staff from different disciplines received two day training
- Call out within the organisation to plan, organise and deliver pilot programme
- 4 people came together
- Currently Co-ordinator appointed and delivering group programme online

# Pre-programme planning

- Referral Form
- Referral process – eligibility
- Administration – leaflet, forms, waiting list (database)
- Venue
- Session Plans
- Screening

# Screening

For maximum participation this needs time before starting the programme:

- Must be acknowledgement of violence and a willingness to address it
- Support network available
- Practicalities – childcare, transport, one or both parents
- Violence must be current
- Young person must be living in the home
